exquisite

If you're looking for excellent service and amazing food, look no further. Leanne, owner/operator of LJW Catering, does it all! My husband and I enlisted her services for our New Years Eve wedding reception and we could not have been happier with the food, service and presentation. Leanne really takes the time to listen to your needs, wants and expectations. She made me feel comfortable and confident that I was making the right decision by hiring her within minutes of our first conversation.

Her presentation is fantastic, and it was more than what we had expected. As for the food, we cannot say enough about how delicious it was!

unique

Leanne met with us and prepared a unique menu that was exactly what we wanted for the day; she catered to our tastes and theme (fresh and local) while providing helpful advice on menu selection. For dinner service we wanted an unconventional, dinner party-style reception. LJW Catering executed this theme perfectly!

We can't say enough good things about LJW Catering, they prepared an amazing meal, customized exactly for our wedding and the service and presentation were far better than we could have imagined.
